**Caravela
Beach Resort,
GOA**

3rd Annual International Conference & Exhibition 2024

THEME: "TRANSFORMING INDIA'S WATER FUTURE"

CALL FOR PAPER ABSTRACTS

The goal of AWWAIndia is to promote the sustainable management and use of water resources in India. It serves as a platform for water professionals and stakeholders to network, share knowledge, and build capacity in the water sector to ensure safe and sustainable water for all in India.

We invite abstract submissions for the AWWAIndia conference (AICE24) on "Transforming India's Water Future". This conference aims to bring together water professionals, researchers, policymakers, and practitioners to share their experiences, knowledge, and insights on the challenges and opportunities of transforming India's water future.

Registration for AICE24 is open at www.AWWA-India.org. The last date for submission of topic and abstracts has been extended up to 21 July 2024. The author should submit their topic and abstracts in less than 300 words clearly including the title, objective and scope of the paper, methodology and/or approach, findings and/or recommendations.

The abstracts shall be submitted at aice@awwa-india.org. The authors of the selected abstracts will be notified by July 31st, 2024 to submit their full presentation by August 30, 2024.

The following are the list of potential topics on which abstracts should be submitted.

- State of Current & Future of Water Policy of India
- Climate Change and its Impacts on Water Resources
- Coastal Area Water Supply – Challenges and Solutions
- Desalination – Advancements & Innovations
- Empowering Women in Water Management and Governance
- Increasing life expectancy of Water Supply Systems
- Emerging Technologies and Innovations in Water Treatment
- Intelligent Water Systems – Utilizing IoT and AI
- Resilience Planning and Disaster Management for Water Utilities
- Sustainable Water Management & Water Reuse – Best practices & Case Studies
- Water Quality Monitoring and Treatment: Recent Developments and Challenges
- Water Solutions for Smart Cities & challenges faced in implementing sustainable practices
- Importance of Operator Certification
- Decentralization of water systems and point of use treatment technologies.

The names of the Authors, co-authors and the institutions they represent, if applicable, should be clearly mentioned in the Abstract. Any author can submit more than one abstract.

AWWAIndia reserves the right to select or reject any Abstract that it may receive.

Registration for the conference is now open: <https://www.awwa-india.org/AICE24-registration>
